Subject: Suspension of In-Class Instruction (K-12)
Date: February 13, 2021

The Newfoundland and Labrador English School District is extending the suspension of in-class instruction to all K-12 students in all schools under its jurisdiction. This suspension is effective up to and including Friday, February 26.

Further information on virtual learning will be provided as it becomes available.

We understand this is difficult news for students and families. Understandably, there will be questions and concerns. Stay well. We will get through this together if we remain positive and focused on supporting each other and our entire school community.
